

Local Law #2 of 2009
Amendment to 161-16
Parking of Commercial Vehicles

AMENDMENT TO 161-16

BRANT ZONING ORDINANCE

- (B) Permitted accessory uses:
 - (10) Parking of a commercial vehicle, defined as more than 26 feet long and/or 25,000 pounds in weight, registered and insured as required for highway operation and placed not closer than 100 feet from the center line of the closest public highway and not closer than 30 feet from the nearest property line.

- (C) Special Permit Use:
 - (2) Parking of more than one commercial vehicle as defined in 161-16 (B) (10) and subject to the same restrictions contained in said section.
