Please describe in detail the proposed project, reason the variance is being requested and any additional information that may be helpful to the Zoning Board of Appeals in deciding this appeal.

A. Area Variance

For Area Variance answer the following 5 questions:

1. Does the variance create an undesirable change in character of neighborhood, or is it detrimental to neighboring properties?

2. Can the applicant's goal be achieved some other way?

3. Is the variance substantial?

4. Is there an adverse effect on physical/environmental conditions of the neighborhood?

5. Is the alleged hardship self-created?

B. Use Variance

Complete the following for a Use Variance:

TEST: No use variance will be granted without showing by you (the applicant) that applicable zoning regulations and restrictions have caused unnecessary hardship. The following tests must be met for each and every use allowed by zoning on the property. Below please briefly describe how each of the four variance tests are met. Attach all supporting materials.

1. That the property cannot yield a reasonable return as currently zoned (“dollars and cents proof”).

2. That the hardship is unique and does not apply to most of the area.

3. That, if granted, the variance will not alter the essential character of the neighborhood.

4. That the alleged hardship is not self-created.
